POLYFLOR PROJECT BRIEF

Commercial

Japan Mart
Manukau, Auckland

PRODUCT USED:
Expona Superplank

Founded in 1987, Japan Mart is New Zealand's largest Japanese specialty grocery store. Now with 4 sites throughout Auckland, Japan Mart opened their new Manukau store in March 2016.

Our flooring was project managed by Contract Flooring who chose the Expona Superplank 1914, Honey Oak.

This perfectly suited wood grain vinyl plank gave the store the spacious feel it needed together with a hardwearing flooring perfectly suited to a busy commercial retail environment.

Suitable for residential applications including bedrooms, kitchen and living areas and also moderate commercial applications such as retail, office, hospitality and aged care.

- Realistic reproductions of wood featuring surface textures
- Polyurethane (PUR) surface treatment to assist ongoing maintenance
- Quieter underfoot and impact resistant
