## Rise 'n Shine Cafe Paerata Rise

### Product Expona Commercial

Rise 'n Shine Café is a café built from shipping containers which started their life as part of the Christchurch Container City rebuild project. They have crossed land and sea and are now situated on Jonah Lomu Drive in Paerata Rise.

Before opening in Paerata in December 2018, a few new touches were added to the design including a fresh coat of paint and new flooring.

Expona Commercial was the choice of flooring for this gorgeous setting. Ideally suited to heavy commercial areas within the retail, leisure, office, education and healthcare sectors, Expona Commercial is also ideal for use in all areas throughout the home.

- 30 Colour range
- 0.55mm wear layer
- R10 slip resistance
- 100% recyclable
