Product Used

Forest FX
Oiled Oak 2990

Wood effect sheet vinyl from the Polyflor Forest FX collection was used to create a relaxed, stress free environment at Moana Sands resort, Rarotonga.

The Forest FX collection is specifically designed for a wide range of commercial interiors. The contemporary and creative timber designs are ideal for education, healthcare, office, retail and leisure sectors, developed and presented in a practical, resilient and hygienic product construction.

The collections eclectic mix of traditional warm oak planks and cooler grey timbers creates an authentic wood palette that can be matched with a wide variety of interior design schemes, whilst the addition of 2 parquet effect designs adds to the collections versatility.

The durability of Forest FX lends itself perfectly to the demands of commercial interiors, leading with the key advantages of aesthetics and performance, with the added flexibility to meet corporate design schemes.

To further enhance the floorcovering, Forest FX features a high quality, cross-linked polyurethane reinforcement (PUR) providing a low cost, polish-free maintenance regime for the lifetime of the product.

Forest FX is 100% recyclable. All these qualities make the collection environmentally preferable whilst meeting decorative, practical, budgetary and maintenance objectives.
