Expona Simplay
Natural Ash 2511

The Expona Simplay wood look vinyl was installed into the Greenhaven Homes show home as it fits with the Greenhaven Homes ethos. It's quiet to walk on, feels beautifully soft and gives a modern look.

"This quality product was environmentally preferred with its low emissions and durability."

The Simplay 2511 Natural Ash compliments the light tones throughout our show home and contributes to this Greenhaven Home's natural feel. Giving solar gains from the sun, we are proud to display this recyclable flooring as a preferred product." - Greenhaven Homes

The Expona Simplay collection of loose lay vinyl tiles and planks have been developed for interiors where a design-led and practical floorcovering is required.

Authentic reproductions of beautiful and natural materials are presented in an adhesive-free, ready to lay product, designed to reduce installation time.

This highly durable product is 100% recyclable and features a hygienic polyurethane reinforcement (PUR) to protect the floor and reduce ongoing maintenance costs.

- On trend colour range
- Can be installed over both old and new substrates as well as existing floorcoverings
- Installation on pressure sensitive adhesive allows for easy repair should the need arise
