The tile or plank size is optimally matched to suit the decor that the floor covering will provide, ensuring the perfect plank size for the given colour scheme. After all, the ideal ambience develops with every detail.

We believe it essential that the dimensions of our products are tailored to the specific design. At the end of the day, the perfect decor is all in the minor details.

TILES

Although we endeavour to ensure the brochure print process represents the true colour of each product, we recommend you view an actual sample.

Authenticity is at the heart of Expona, representing the allure, distinction and unpredictability of natural timber and stone. To replicate these materials, the products may contain knots and variation in markings as part of their design.

Tile size: 609.6 x 1219.2 mm
Box: 8 pcs | 5.95 m²
